DETAILED ACTION

EXAMINER'S AMENDMENT

1. This office action is in response to applicant's amendment filed, 07 August 2006, of application filed, with the above serial number, on 02 June 2000 in which claims 1, 12, and 23 have been amended. Claims 1-28 are therefore pending in the application.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Please amend claim 1, line 20 as:

Replace "that that" with "that".

Please amend claim 12, line 14 as:

Replace "that that" with "that".

3. The following is an examiner's statement of reasons for allowance:

Applicants arguments are persuasive. The prior art of record fails to teach or suggest individually, or in combination, the claimed limitations of at least claims 1, 12, and 23. Collins et al and Fowler et al, as well as the prior art of record, do not teach the elements of the claims including a method and system for remotely monitoring and controlling a remote power system with a user interface manager being operative to

Art Unit: 2157

provide an executable applet to a remote browser application that simulates the functionality and appearance of a local interface via generated data values, with displaying adjustable static state information when dynamic state information that is affected by static state information is selected in response to user interaction.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
